# LICENSED NLP PRACTITIONER TRAINING

## OVERVIEW:

Learn powerful NLP skills in small groups with experienced trainers and become certified as a Licensed NLP Practitioner™ by the Society of Neuro-Linguistic Programming (SNLP).

The main focus of the course is on:

- How language works and therefore how it can be used most effectively, both to communicate with yourself and others.
- How our thinking processes really work and therefore how you can change unwanted behaviours, develop inner resources and increase your personal effectiveness.

## DESIGNED FOR:

Professionals and private individuals who want to increase their personal effectiveness through improved interpersonal skills and reliable tools for peak performance.

## OBJECTIVES:

On completion of the course you will be able to:

- Build deep levels of rapport with others quickly and easily
- Develop instant self-confidence in any situation
- Communicate far more effectively and precisely
- Influence others ethically towards a win-win outcome
- Apply effective problem solving skills and generate solutions
- Think more creatively and precisely in all aspects of life
- Improve self-management and team management skills
- Set and achieve personal and business goals more easily
- Manage meetings, appraisals, interviews and time more effectively
- Resolve conflict more quickly and effectively
- Create empowering new beliefs to break through personal barriers
- Communicate more powerfully, flexibly and confidently to any audience
- Understand and manage the link between your mind and body
- Apply advanced language patterns to influence yourself and others easily
- Elicit specific information from others to by-pass 'fluff' language
- Understand personal motivation strategies and amplify them quickly in yourself and others
- Develop the confidence to competently, creatively and flexibly apply complex NLP skills, to meet any challenge

- Manage your personal/professional life more positively
- 'Model' outstanding performers in your chosen field of expertise
- Use advanced language patterns to maximise marketing, training, presenting, customer service and management ability
- Communicate elegantly at the conscious / unconscious levels
- Coach yourself and colleagues more productively
- Trigger positive mental and emotional states at will
- 'Fine-tune' even your best developed skills and abilities
- Use language elegantly and efficiently in all your communication

## **BENEFITS:**

### **Benefits for your company**

- Enhanced communication skills bring benefits to organisations in areas such as team-building, negotiating, buying, sales, reduce stress and lead to more harmonious relationships at work.
- Increased personal creativity, well being and motivation lead to less stress, less sick leave, more satisfaction, initiative-taking and enhanced performance in all areas.

### **Benefits for you**

- Increased sense of wellbeing, purpose and direction in your life. Confidence and enhanced communication skills enabling harmonious relationships.
- Gain Motivation, direction, confidence, skills, freedom, choices, success (whatever that means to you), positive attitude, increased learning and remembering abilities, the ability to make good decisions, improved health, freedom from old limitations, fears and phobias.
- Change your mind, habits, fear to curiosity, negative states of mind to positive, your life - plan your future and start transforming your present.

### **Benefits for others**

- Communicate better at home, focus and build on the good aspects of your family relationships and learn how to change any negative ones for the better.

---

## **Licence Agreement:**

This course provides certification by Dr Richard Bandler and the Society of Neuro-Linguistic Programming. The course fee therefore includes a License Fee and entry to the course requires your signing the SNLP Licence Agreement on registration.

Successful qualification as a licensed NLP Practitioner is on the basis of merit and the evaluation of the course leader of your training is final. We do everything possible to ensure trainees achieve success.

## Testimonials:

*"At the end of this wonderful week, I feel more open to and aware of possibilities in my life, and confident that they will continue to expand. That's so exciting! More than that, I know that all the resources I need are within me."*

Wendy Williamson, York

*"I would definitely recommend this training as it not only provides a way of identifying the types of people you are dealing with and their beliefs, but explores your own preferences and belief system. This is the basis for understanding and then changing/improving as required. I have learned lots of useful tools which I plan to practice and perfect for the benefit of myself and others. Practicing the tools as we go along is invaluable."*

**Christine Hammond, Business Continuity Manager, RWENPower, Leeds**

*"I came on the course thinking that it would include useful ideas to incorporate into my training material. However it has opened my mind to so many possibilities, I now realise there are endless opportunities for utilising the material and for expanding my mind. The course was very relaxed enabling lots of learning to take place and felt very safe in terms of feedback, which was sensitively given. Most important, it was great fun. Thank you."*

**Janette Poole**

*"A thorough introduction to the world of NLP, well paced and relaxed training, spiced with humour and a light touch"*

**David Holmes, David Holmes Hypnosis**

*"I'm amazed at how much I've learned over the week. I'll be using it in my training courses and in planning and doing my sales and marketing. I'll also use it to improve other aspects of my life and friends' and family's."*

**Natasha Goggin, Managing Director, NXG Development Ltd**

*"Excellent week providing a variety of new tools and experiences. I have particularly enjoyed using the reframing techniques and strategies and feel confident I will be able to apply them to a variety of things in the future."*

**Paul Woodmancy**

*"I would recommend this training. It has been a new experience for me, and I have enjoyed taking on a new way of learning. It has given me the tools to clarify my thoughts and move myself forward to a new career."*

**Veronica Davison**

*"The course has been fantastic! Overall, the course has allowed me to go forward and pursue what I want: business; being a better communicator. Phil and Susanna are lovely people and Phil's teaching approach has been First Class! Got everything I wanted and more from course."*

**Jason Arnott, Youth Worker, NERS, Sunderland**

*"Without doubt the best course I have participated in. "NLP without all the jargon." It has left me with skills and abilities I can now use to benefit myself and my clients. A toolbox I will carry with me for the rest of my life."*

**Michael Cummings, Personal & Business Coach**

*"Anyone wishing to understand NLP at practitioner level should seriously consider attending this course. An insightful, thought provoking and practical course affording real opportunities to practice techniques in a safe environment."*

**Michelle Atkinson, Operations Manager, Norwich Union, York**

## Trainers:

**Philip Callaghan** is a Licensed NLP trainer, life coach and author based in York, UK.

He has provided commentary as an expert on the radio and in the press.

He is a Licensed Master Practitioner and Trainer of Neuro Linguistic Programming (NLP) and a member of the International Association of Coaches.

Coming from a background in scientific research, Phil has used coaching principles to dramatically transform his own life and to set up and run a successful training and coaching consultancy.

**Susanna Bellini** has 18 years experience in professional training and development and has been involved with NLP since 1996.

She is a highly experienced NLP Trainer and former apprentice of Dr Richard Bandler. She holds a diploma in hypnotherapy and an MA in counselling. Susanna also has Silva Ultramind and Supermind Certificates and is a Level 4 Design Human Engineer.

She continues to pioneer new methods of personal development and advanced technologies for changework.
